Q & A - frequently asked questions
(Subject to minor changes)

Tackling World Challenges South Africa

1. **What is the schedule?**
   July 2021: 10 day teaching at the Sustainability Institute (SI) in Lynedoch, Western Cape
   Sept - Dec 2021: regular weekly course of fall semester at USI Lugano

2. **What is the program in South Africa?**
   Goals are to gain a multi-level perspective on Food System Transitions by innovative teaching
   and learning. This will include group projects, presentations, excursions, and literature study.

3. **Which costs will be covered?**
   Transportation to and from South Africa as well as accommodation will be organized and paid
   by WCP. Communal meals will also be organized (t.b.d.)

4. **Who can participate?**
   Everyone who is enrolled for the entire duration of the course at either USI Lugano or
   Stellenbosch University.

5. **How can I apply?**
   To apply you need to provide an English certificate and a personal “motivation piece”, details
   on what we are looking for can be found [here](#).
